Subject: RCA-KAIST (Korea Advanced Institute of Science and Technology) Master's Degree Course Announcement

Dear National RCA Representatives,

It is my pleasure to announce that the RCA-KAIST Master's Degree Course for 2022 Spring Semester is open for application to the Government Parties.

With the aim of contributing to preserving and enhancing nuclear technology of the RCA Government Parties, the RCA-KAIST Master's Degree Course of the Department of Nuclear and Quantum Engineering, KAIST, is designed to educate and train high-caliber students from the RCA Government Parties. The graduates of the course have been contributing to the development of nuclear and radiation technology for their respective countries by working in government supported R&D institutions, government funded enterprises, universities etc. as elite leaders.

Given the time constraints, it is encouraged that applicants send all required documents including a letter of recommendation from respective National RCA Representative to KAIST **by 30 September 2021**. Please refer to the enclosed guideline for detailed information.

Taking this opportunity, I would like to express my sincere gratitude to you for your cooperation and support for the course.

Attached: Guideline of 2022 Spring RCA-KAIST Master's Degree Course

Sincerely Yours,

Pill-Hwan Park
Director
