Day 2, Tuesday, 27 May 2003. (Salon Anthurium – Lobby Level)

9:00 7. Presentation of RCA Annual Report 2002.

The meeting will be expected to comment on and submit inputs to the annual report. Part 1 is expected to highlight the achievements of the RCA in the past year and be printed as a stand-alone document. Member States will send their submission to Part 3 of the report. The host country (PAK) for the previously scheduled 25th RCA Meeting has initially agreed to undertake the production of Part 1. Given that SRL is now the host country, the meeting is expected to decide on the MSs to undertake the task of printing Part 1.

Acting RCA Coordinator will inform the meeting on the need for further work to be done on Part I and II of the report and to request National Representatives to provide inputs to Part III (success stories) as well as in-kind contributions, if they have not done so. Report to Part III, on in-kind contributions received from AUS; IND; INS; MAL; PAK; PHI, THA; VIE. For success stories, only Indonesia, India and Thailand have submitted(e-mail message to RCA National Representatives of 2003-03-06 refers (The meeting is expected to agree on the set of schedule to complete the report.)

10:30 *Tea Break*

11:00 *Continuation from Agenda item 7*

12:30 Lunch break

14:00 8. Implementation Issues in 2002 (RCA Coordinator and National RCA Representatives)

The meeting will be informed of the major implementation issues encountered in the past year. Some of these issues relate to(a) financial support to local events; (b) outsourcing;(c) lead times (d) , preparation of RCA programme (e) communications (f) roles of Lead Country Coordinator, Lead Project Country Coordinator; and others. **The National RCA Representatives are encouraged to submit issues for discussions to the RCA office prior to this meeting, for compilation and consolidation.**

15:30 9. Information and Communication support to upstream work (ENO support).

RCA National Representatives from Malaysia is expected to inform the meeting of the recommendations from the ENO project committee meeting, for the agency to provide a platform for increased use of the electronic medium (e.g. internet and web) to support the upstream work.

19:00 **Dinner will be hosted by the Agency (Salon Anthurium – Lobby Level)**

Day 3, Wednesday, 28 May 2003. (Salon Anthurium – Lobby Level)

- 9:00 10. Proposed projects for 2005/2006: (RCA Coordinator and/or Lead Country (ies))
The proposed projects for 2005/2006 will be presented to the National RCA Representatives for preliminary comments and/or endorsement. A short review of TC strategy and requirements will be made. Reference materials, e.g. Millenium Declaration and World Summit for Sustainable Development are available in the RCA website. The National Representatives from country leading sectoral area are expected to brief the meeting on the preliminary proposals in the sectoral areas with suggested prioritisation and recommendations . The Meeting will be expected to arrive at some decisions on the number of projects for the next cycle as well as preliminary budgetary estimates. The harmonization of regional projects—both RCA and non-RCA—will also be discussed.(see also separate agenda item No 14c). The meeting is expected to decide on the need for convening the Lead Country Coordinators Meeting on a yearly basis.
- 10:30 Tea Break
- 11:00 (*Continuation from above*) Proposed projects for 2005/2006: (RCA Coordinator and/or Lead Country (ies)) .
- 12:00 Lunch (**to be hosted by RCA RO**) -**Ballroom**
- 14:00 11. RCA Regional office.:
a. Report by the Director, RCA RO .
The one year report from the RCA RO will be presented, to include the activities done and future plan of activities.
b. Legal status of the RCA RO
Meeting will be inform on the outcome and the progress towards resolution of issues surrounding the establishment of the regional office.
- 15:00 12. Evaluation of the RCA as a vehicle for TCDC and technology transfer mechanism. (SH-TCAPS/RCA Coordinator).
The meeting will be informed of the IAEA evaluation programme for 2003/2004 and to encourage them to request Agency to include the RCA in the planned evaluation. As the RCA has reached 30 years, its usefulness and relevance as a vehicle of TCDC and technology transfer seems worthy of evaluation and analysis.
- 15:30 13. Policy Level meetings

a. 26th Meeting of National RCA Representatives.
The Meeting will receive offer from MSs to host the 26th Meeting in 2004.

b. 32nd RCA General Conference.
The RCA GC is scheduled on 17 September 2003. The agenda for this meeting will depend on the results from the 25th Meeting of National RCA Representatives. It is expected that the 3 Chairpersons will have a pre-GC meeting a few days before the GC.
c. Quadra-partite Meeting:
The meeting is expected to identify successful projects in the RCA region that could be proposed for sharing with other regional agreements
- 15:45 14. Other matters
a. Co-operation with other organizations
b. . Presentation by FNCA Co-ordinator
Dr. Machi FNCA Coordinator from Japan will present FNCA programme. The

meeting is expected to discuss and take note of the possible synergy between RCA and FNCA programmes

c. Implementation of RCA vision:

The RCA vision was discussed and accepted at the Yangon Meeting. It is proposed for the RCA National Representatives to review the achievement of the implementation of the vision.

d.Sustainability and self-reliance of nuclear institutions:

The meeting will be informed of the recent development in non-RCA projects on sustainability and self-reliance.

e.Harmonization of non-RCA projects. This item provides an opportunity for comments/proposals as to how to harmonize non-RCA's programme with those of RCA's

f. RCA logo:

It was observed that the present RCA logo does not symbolize all the MSs of the RCA. The RCA RO is willing to redesign the logo.

g. Abbreviation of RCA Regional Office:

h. Responsibility, Authority and Accountability in the RCA

15. Closing session

a.Presentation of draft meeting report

b.Closing ceremony

Day 4, Thursday, 29 May 2003.

9:00 **Optional tour: Visit to AEA facilities**
