Date 2014-07-10

Subject: IAEA/RCA Final Project Meeting, Gunma, Japan, 16 - 19 December 2014

Dear National RCA Representatives,

In accordance with the 2014 IAEA/RCA Regional activities organized under the TC regional project RAS/6/053 “**Improving Image Based Radiation Therapy for Common Cancers in the RCA Region**”, the International Atomic Energy Agency (IAEA) in cooperation with the Government of Japan, through the Gunma University Graduate School of Medicine, will be conducting a “**Final Project Meeting**”.

The meeting will prepare a report of the achievement under the RAS/6/053 project, including a meeting report with extended abstracts on the work carried out at the regional and national levels; a summary of the activities carried out, outputs produced and progress in achieving the desired project outcomes and objectives; and an analysis of problems, lessons learnt as well as mitigating measure for improvement of future projects implementation.

If your government wishes to participate in this meeting, you are kindly requested to submit nominations of individuals from organizations enjoying the participation criteria stated in the attached **Information Sheet**. Kindly complete the form prescribed for this purpose (attached. Also available on the IAEA web-site:

<http://www.iaea.org/technicalcooperation/How-to-take-part/In-meetings-WS/index.html>)

and submit it through the official channels to the Agency before **29 August 2014**.

Kindly note that the holding of the above Meeting will be subject to the official confirmation of the Government of Japan.

Thank you for your cooperation and best regards.

Yours sincerely

Ms Mawieh Oulabi

Programme Management Officer

Division for Asia and the Pacific

Department of Technical Cooperation
