Subject: RCA/UNDP Project Training Courses on Promoting and Accelerating Nuclear SPECT/PET Imaging Technologies, 18 June – 6 July 2012, Seoul, Republic of Korea

Dear National RCA Representatives,

In accordance with the plan of the RCA/UNDP Project in 2012, I would like to invite your Government to submit nominations for the above mentioned event, details of which and requirement for the participants are attached herewith.

In this regard, I would like to inform you that the Annual Review Meeting of RCA/UNDP Project was successfully held from 20 to 21 December 2011 in Kota Kinabalu, Malaysia and it was agreed at the meeting as follows:

- 1) Basic Training Course on SPECT/PET imaging science and technology (Train-the-Trainers) and On-site Training Course were decided to be held consecutively from 18 June to 6 July 2012 in Seoul, Republic of Korea.
- 2) Participants of the two training courses
 - Two participants from each participating country will participate in the training courses. New trainees with sufficient experience should be selected, who can also be a trainer. For countries with limited number of relevant professionals, National Project Coordinators could attend.

It will be highly appreciated if you could inform us of suitable candidates for this event with duly completed and endorsed nomination form at your earliest convenience, but hopefully by 11 May 2012 at the latest.

Thank you for your cooperation.

Best regards,

Mun-Ki LEE
Director
