

Proposal on the legal issues of RCA Homepages content and Editorial Board for RCA News Letter

By: Electronics Networking and Outreach Lead & Assisting Lead Country

Contents of Regional & National Home Pages

- 1 The information flow strategy as developed by the ENO Project Coordinators during their Project Coordinators meeting in April 2000 shall be the basis for content approval and flow of document from the sources to the homepages for publication.
- 2 The RCA Coordinator shall be the authority to approve the contents for the RCA Regional homepages (public and members-only). Any contents to be published in the respective homepages shall be send tot he ENO Lead Country Project Coordinators in electronic form and shall be explicitly stated in the communication that the document is to be published. The RCA Coordinator shall also indicate in which homepages, public area or members-only, that the document/s is/are to be resided.
- 3 As per the information flow the Lead Country Project Coordinator shall prepare suitable inputs on respective projects and submit the same to the ENO Lead Country Project Coordinator through their respective National ENO Coordinator who will prepare the inputs in the Electronic web enabled format as required by the Lead Country Project Coordinator, who is the web-master managing the server. The Lead Country Project Coordinator shall take guidance/approval from their National Representatives for finalizing the inputs.
- 4 RCA National Representatives shall be the authority to approve contents in their National Home Pages.
- 5 All documents, where appropriate, shall carry a copyright and 'legal notice' or 'disclaimer' as their footer in order to indemnify and release the liability of RCA against the use of such information by the other parties. Legal notice to be drafted seperately.

Proposed Legal Notice or 'Disclaimer'

"Copyright ? Regional Cooperative Agreement"

(The whole sentence could then be linked to the Disclaimer page, sample of which are provided as follows, extracted from IAEA's web site.)

Sample of disclaimer notice from IAEA's web site.

This can be adopted by RCA for the same purpose (with changes to the names)

Notice of Disclaimer for WorldAtom

Access to the information products and services contained in the WorldAtom site is provided as a public service by the International Atomic Energy Agency (IAEA). The information presented does not necessarily reflect the views of the IAEA or the governments of IAEA Member States and as such is not an official record.

The IAEA makes no warranties, either express or implied, concerning the accuracy, completeness, reliability, or suitability of the information. Neither does it warrant that use of the information is free of any claims of copyright infringement.

Extracts from IAEA material contained in the WorldAtom site may be freely used elsewhere provided acknowledgement of the source is made. If the attribution indicates that the information (including photos and graphics) is from a source or site external to the IAEA, permission for reuse must be sought from the originating organization.

Please note that the IAEA cannot guarantee the authenticity of documents on the Internet. Links to non-IAEA sites do not imply any official endorsement of or responsibility for the opinions, ideas, data, or products presented at these locations, or guarantee the validity of the information provided. Links to non-IAEA sites are provided solely as a pointer to information on topics that may be useful to IAEA staff, its Member States, and the public.

The use of particular designations of countries or territories does not imply any judgement by the IAEA as to the legal status of such countries or territories, of their authorities and institutions or of the delimitation of their boundaries. The mention of names of specific companies or products (whether or not indicated as registered) does not imply any intention to infringe proprietary rights, nor should it be construed as an endorsement or recommendation on the part of the IAEA.

RCA Electronic News Letter

- 1 The RCA Electronic News Letter can be part of the Regional Home Page (Public Access) with the same access address.
- 2 The Editorial Board to prepare inputs and publish will consists of the RCA Coordinators as Chairman and all the National ENO Project Coordinators & ENO Technical Officers as members. The ENO Lead Country Coordinator who is also the web-master shall be the Chief Editor and Publisher and shall be assisted by the Assisting Lead Country Coordinator.
- 3 There shall be an Advisory Board consisting of the present and past RCA Chairmen and RCA Coordinator.
- 4 Initially the Newsletter can be published quarterly which can be made monthly after ensuring sufficient information input.
- 5 The Newsletter may highlight success stories in the Regional and National levels, RCA activities, give linkage to information of related activities of other International bodies like UNDP, FAO, WB, ESCAP, APDIP etc. and also publish articles on different Thematic Areas as an ongoing item.
