

Addressing Special Needs of New RCA GPs

Marie JEON
Head, Programme Division
RCA Regional Office

- To advise and recommend on sustainable human capacity building in the RCA Region, including nuclear knowledge management in forms of education and training, and accord particular attention to the special needs of:

- The new RCA GPs;
- The Least Developed Countries(LDCs); and
- The Small Island Developing States(SIDSs)

❖ New RCA GPs

Nepal (2012), Palau (2013), Cambodia (2014), Laos (2015), Fiji (2015)

- **8th WGM** (Feb. 2021)

- To develop a new mechanism to address the needs of new GPs, such as establishing a special project targeting their needs
 - Endorsed by the 43rd NRM

- **9th WGM** (July, 2021)

- To develop a paper with a plan for consideration how to address the special needs of the new GPs
- To incorporate in the Project Design, as appropriate, a portion of activities to cater for the needs of the new GPs
- To accept additional project proposals that especially target the needs of new GPs at the Project Design Phase of the 2024-2025 TC cycle
- To give more weight to those project designs that address the needs of the new GPs when prioritizing the project designs
 - Endorsed by the 50th GCM

- **Systematic support under the framework of the RCA**

- MTS : focus on assisting the countries in need (new GPs, LDCs)
- RPF : priorities, needs

- **At project level**

- Development of projects
 - that exclusively involve and assist LDCs
 - that include other GPs but specifically address priority needs of LDCs
 - that include other GPs but incorporate activities that specially assist LDCs
- Put priority on project designs that address needs of LDCs

- **At activity level**

- Development of ad-hoc activities to timely address specific needs of LDCs
